FinaNote : a simple expense tracker for students

DESCRIPTION :

✓ Finanote helps students and individuals note daily expenses, organize them by category, and track their budget. It makes money management simple.

FUNCTIONALITIES :

- Add expense (amount, category, date, …).

- View expenses by day/category.

- Show total spending per month.

- Show spending by category(food, transport, …).

- Show the biggest expense in the month.

- Warn when budget limit is exceeded.

- Save and open expense history
